## Who selects the awardees?

Awardees will be selected by a committee of Mayfair High School Alumni.

*The Childress Family Foundation Scholarship has a strong commitment to improving the lives of youth. Through family, my commitment to education and athletics, I was able to live out my dreams and create new opportunities. A child cannot help the circumstances into which they are born, but a community can help uplift and encourage a child to become the best version of themselves. I want students to know that anything is possible and I believe that I have a civic and social responsibility to utilize my resources and influence to make the world a better place for the youth. The Childress Family Foundation Scholarship was created to empower Mayfair High School student athletes to continue to strive for excellence on and off the court or field.*
