

SCIENCE RESOURCE GRANTS

Who

Any TK-12 teacher working at a low-income public school in Alameda, San Francisco, San Mateo, or Santa Clara County is eligible to apply. A maximum of two grants will be awarded to a school, and one grant per teacher per school year.

What

Grants of up to \$500 will be awarded to teachers for hands-on materials to enhance their classroom science instruction, with a focus on life sciences and chemistry.

Examples include:

- Safety goggles and lab coats
- Water testing materials
- Chemistry lab sets
- Kits (bird feeder kit, DNA kit, soil kit)
- Microscopes and slides

How

It's easy! Simply submit a description of your idea on school letterhead, including the following information:

- Date and notation on top that request is for a Science Resource Grant
- School and district name, address, telephone and fax numbers
- Your name, grade level, email address
- Description of your classroom and funding need
- Total amount requested
- Item by Item listing of how the money will be spent
- Applications must be signed by both the submitting teacher and principal
- Who the check should be made payable to (**school, district or PTA only**) and the address the check should be mailed to.

When

Scan and email your application to cdavis@venturesfoundation.org. Please do not fax.

Send your request in as soon as it is ready. If approved, funds will immediately be disbursed. Please check our website at www.venturesfoundation.org before writing up a proposal to ensure funding is still available.
