

ENVIRONMENTAL SCIENCE RESOURCE GRANTS

\$1,000 Grants to Enhance Environmental Science Curriculum in Bay Area Schools

WHAT IS IT?

Grants of up to \$1,000 will be awarded to teachers to enhance classroom environmental science curriculum through projects, supplies, field trips, and professional development.

Examples include:

- Field trip related to the study of wetland restoration and water conservation
- In-classroom presentations on endangered species by local wildlife experts
- Gardening supplies for students to build a wildlife habitat

WHO CAN APPLY?

Any TK-12 teacher working at a low-income public school in Alameda, Contra Costa, Marin, Napa, Solano, Sonoma, Santa Clara, San Francisco or San Mateo County is eligible to apply.

A maximum of five grants will be awarded to a school per school year, and one grant per teacher.

HOW TO APPLY?

It's easy! Submit a request on school letterhead with the following information:

- Date and notation on top that request is for an Environmental Science Grant
- School and district name, address, and telephone number
- Your name, grade level, email address
- Description of your classroom
- Title 1 status and/or percentage of students eligible for Free and Reduced- Price Lunch
- Total amount requested
- Item by Item listing of how the money will be spent
- Who the check should be made payable to (school, district or PTA only) and the address the check should be mailed to
- Applications must be signed by both the submitting teacher and principal

Email your application to slira@venturesfoundation.org.

If approved, funds will immediately be disbursed. Please check our website at venturesfoundation.org before writing up a proposal to ensure funding is still available.

This program is made possible with funding from the Lampert Byrd Foundation, the Maxwell | Hanrahan Foundation, and PVF donors.
